pH	6.0			5.0-7.5
Protein	Negative		mg/dL	Negative/Trace
Urobilinogen	0.2		E.U./dL	0.2-1.0
Nitrite	Negative			Negative
WBC Esterase	Negative			Negative

**Microscopic was not indicated and was not performed**

#### Comments:

The microscopic evaluation of the urine is only performed "if indicated" – when there are ab-normal findings on the visual and chemical examination. Abnormal results noted should be considered in the context of the person's clinical condition. Testing is performed using the Clinitek Status Connect using Siemens Healthcare Diagnostics urine testing strips, and Light Microscopy.
